LET US BE JOYOUS.
"Oh, let us while yet we may, be joyous,
Though the scientists every day annoy us,
For they eternally spring the awful topic
Of these myriad creatures microscopic
"Till we grow old, gray and misanthropic!
"Lo, to drown our sorrows we should try,
Lest some pesky microbe draw alyly nigh.
Let festive song and dancing thrill us,
Forgetting that some cussed, sneaking bacillus
"Has it in," by and bye, to surely kill us.

The Rev. T. DeWitt Talmage says—"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprising community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

FIRST OF SERIES

Opening of Lecture Course of Young Men's Christian Association

The first of the eight winter entertainments to be given under the auspices of the Young Men's Christian Association was held last evening at the M. E. Church.

Mr. Eldridge was spendid in his impersonations and the selections were good, giving true, clean enjoyment.

It was a solid laugh for at least an hour.

The other hour was of a more serious nature and most pleasing in its strength of character.

Ask any of the audience present to tell you about it.

The course is starting off fine.

Mr. Eldridge said the rest coming would be first-class.

\$60,597,500

Amount Involved in a Suit Brought in the Mason County Court

The Commonwealth, by Mr. John J. O'Donnell as Auditor's Agent, has today filed in the Mason County Court a suit to compel the Pennsylvania Railroad Company, the New York Central and Hudson River Railroad Company, Mr. J. Pierpont Morgan and all the other stockholders to assess their stock in the C. and O. Railway Company, amounting to \$60,597,500.

It seems that the Court of Appeals of Kentucky has held that compliance with Section 841, Kentucky Statutes, in 1893 by the C. and O. Railway Company as a Virginia corporation created a Kentucky corporation by the same name. This latter corporation, as a consequence of its incorporation having acquired a franchise and all the Virginia corporation's property in Kentucky, has failed to pay its franchise tax, which omission has imposed on the stockholders, pursuant to Section 4,088, Kentucky Statutes, the duty of listing their stock, whose situs has by statute been fixed in this state.

The defendants all being non-residents, the Commonwealth has attached in the hands of the C. and O. Railway Company, pending the litigation, all dividends, surplus and profits due and to become due the stockholders in order to secure these taxes.

If the Commonwealth wins, Mason county will get half the amount recovered.

Messrs. Allan D. Cole and J. M. Collins represent the Commonwealth.

THE HOLY CITY.

The Erie (Pa.) Messenger-Graphic October 16th says:—

"The Holy City, presented at the Majestic yesterday for both matinee and evening, proved a startling innovation to the usual run of plays. As its name implies, it is a piece of sensational richness and voluptuous splendor, with a dignity of diction that holds the sense and taste of the refined and cultured. The scenes representing events in the Saviour's career were dignified and reverent, and a very copy of Michael Angelo's world-famed painting of 'The Crucifixion' added much to the effect."

BOYS IN TROUBLE

Couple of Maysville Men Fined at Portsmouth Last Week

At Portsmouth a few days ago William Nanz and James Riggs, said to be from this city, got into a scrap with some Ohio boys and in the wind-up were fined \$50 and costs each for the trouble they caused.

The men are employed by the Norfolk and Western Railway.

At a party one night last week they became involved in a difficulty with Portsmouth boys, when Nanz brought into use a pair of brass knucks, breaking the jawbone of his opponent in one round.

A general melee followed, and Nanz next brought forth an old pistol and fired twice, striking William Morely and John McCabe, neither being badly wounded, however.

Their inking in the Police Court drew them a fine of \$50 each, which they promptly paid.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

EVEN Kalamazoo and Honolulu went Republican.

By the refusal or neglect of the Republican election officers in a Precinct in Fleming to properly certify the returns, Mr. KEHOE's majority in that county will be 150, which throws altogether a different light on the outcome of the Congressional race in this District.—*Evening Bulletin.*

"The Republican election officers!"

And in a Democratic county, too!

That's enough to make a hobo take a bath.

THE LEDGER pretends to think because Mr. KEHOE ran away ahead of the ticket in the Hilltop Precinct the figures have a "suspicious" look. If Brother DAVIS will take the time to size up last year's returns he will see that this is not the first time a Democratic candidate outran the head of his ticket at Hilltop. With \$25 less than Mr. KEHOE's present majority in the county, BECKHAM got 25 more votes than SLATTERY in that Precinct last November, but Mr. DAUM, the Republican opponent of Mr. SLATTERY, was elected, and there was no kick coming from that side of the house. Before the recent election even the opposition conceded Mr. KEHOE a thousand majority in Mason, and why shouldn't he be expected to get a bigger Hilltop vote at those figures than did BECKHAM with 683 majority in 1903? THE LEDGER's insinuations are not only unfair, but they are ridiculous.—*Evening Bulletin.*

Thanks; but you've fired at the keyhole—and missed the barn door.

The vote in Hilltop Precinct last Tuesday was—

Parker.....117
Kehoe.....102
Roosevelt.....85
Bennett.....42

This gives KEHOE 45 more than PARKER, while BENNETT got 43 less than ROOSEVELT. It is obvious, therefore, that, somehow or other, Mr. KEHOE got forty-odd votes that, politically speaking, ought to have gone to BENNETT.

The explanation of this is left to others; but just how The Bulletin can prove its case by citing the Beckham-Slattery-Daum race is not quite clear.

The vote in Hilltop Precinct in the election was—

Beckham.....136
Belknap.....72
Slattery.....112
Daum.....89

Here Mr. SLATTERY had 24 more than BECKHAM and 23 more than DAUM, while DAUM got 4 more than ROOSEVELT and 47 more than BENNETT.

Please note how consistent the votes of BECKHAM and SLATTERY, and of BELKNAP and DAUM, and then turn to the extraordinary variance between the votes of PARKER and KEHOE and of ROOSEVELT and BENNETT.

In view of the 1,069 majority for Mr. KEHOE in his previous race, it was not unnatural to expect fully as large a majority this year; but he fell short of that by 62 votes.

Taking the vote of every other Precinct in the county there is only a slight and quite natural variation, Mr. KEHOE getting in some a few more, and in others a few less, than he got in 1902.

But to a man up a tree it looks very much like some of his zealous friends had attempted to give him too big a majority in Hilltop.

THE LEDGER aims to be perfectly fair; and, maybe, later on, its "insinuations" may not appear so "ridiculous" to its esteemed contemporary.

Rural Free Delivery is proving a great educator. Many persons are putting up nice boxes and subscribing for dailies, who heretofore only saw an occasional weekly paper. The scribe is more than pleased, as we are the recipients of double service—a star route carrier delivering mail going West at 11:50 a. m. and returning at 2:50 p. m.

WHY PAY EXORBITANT PRICES FOR YOUR PLUMBING?

"DADDY" RYAN

Well Known Mason Passes Away at His Home in Louisville

William Ryan, known as "Daddy Ryan" to thousands of his friends in and out of Masonic circles throughout Kentucky and in many other states, died Sunday night at the home of Mrs. L. R. Rawls, in Louisville, after a week's illness with pneumonia, with which he was taken ill last Monday.

Mr. Ryan was 76 years of age.

He was a Thirty-third Degree Mason, a Past Grand Commander of the Grand Commandery of Kentucky, and a Past Grand High Priest of the Royal Arch Masons of Kentucky.

Two years ago, on May 24th, Mr. and Mrs. Ryan celebrated the Golden Anniversary of their wedding, on which occasion they were happily remembered by members of Maysville Commandery No. 10 by whom Mr. Ryan was so well known.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

SPRINGDALE, KY., November 14th, 1904.

Editor Public Ledger—Dear Sir: In your issue of November 9th you say as to the vote on Infirmary bond issue "but enough is shown to satisfy the most exacting Mossback that the people of Mason county don't care a damn for the comfort of her unfortunates, nohow!" I wish to enter my kick against being classed with the Mossbacks, for I believe I voice the sentiments of at least three-fourths of the intelligent people of the county when I say that we propose to vote no more bonds to be handled by a Fiscal Court as at present constituted. The good people do care for their unfortunates; but they do not care to entrust their hard cash into the control of a set of grafters, such as our present Fiscal Court seems to be. For illustration, I mention only one item, viz: \$3 per day for six days to each of a Committee of three, or \$54 to members of the Fiscal Court on Mayhugh or Day's Run Turnpikes, and this after they had dickered with Mr. Mayhugh and purchased the right of way of him, paying an exorbitant price therefor, which was allowed with their per diem at a former session of said Court.

We want an up-to-date Infirmary Building with all modern conveniences and situated as near the geographical center of the county as possible—away from the shanty-boat influences of the present site; away from the supposed good fishing grounds, which seem so attractive to some of the members of the Fiscal Court.

If this is suitable copy for the Kickers' Column, why, let her go. If there is a call for more items smelling of graft let us know.
